The 70 Weeks and the Jubilee Cycles
In this study we are going to step out of our comfort zone to investigate an unsolved case. It seems that throughout the centuries this matter of the Jubilee Cycles has been, and continues to be, shrouded in mystery.
The Mystery of the Jubilees
The Jubilee was introduced to the children of Israel as they made covenant with God and became a nation at Sinai. But there is no Biblical record of Israel actually keeping the Jubilee.
Is this really a serious matter? Well, we do know this. The length of Judah's seventy year captivity in Babylon was based upon the number of years in which they had not rested the land and kept the sabbatical cycles.
Here we see the prophet Jeremiah as he denounces the priests for their neglect. All of God’s precepts, including the Jubilee, had been given to the nation of Israel for their benefit.
The Jubilee system is a great blessing that has been given through Israel to the world. But alas, it has not yet been established, . . . anywhere.
Our waywardness and the reality of our sad past history have prevented it from becoming a reality so far.
The Breach of Jeroboam
So what happened to the Jubilee? Has it been lost? Is it never to be seen again? Dominionists will say that “The Church” has replaced Israel. So who cares about the Jubilee? Of course we know that is a lie. So why are we searching out this ancient precept? Well as we shall discover in this study the Jubilee has not miscarried in Israel. Nor has it been forgotten by our God. And in this study we are going to find those missing Jubilee cycles.
The Mystery of the Jubilees
And when the set time has come the Jubilee will be unveiled and established under Messiah in the glorious Millennial Kingdom to come.
If Israel has not observed the Jubilee and the Church considers it irrelevant then how is it going to be established here on earth? Well it appears that the Holy One of Israel is still keeping track of Jubilees. But here is the caveat. He is only tracking them in His Holy time. Now this may sound a little wafty. But this will all become clear in our inquiry up ahead. And as we look into Daniel’s Prophecy of the Seventy Weeks we shall discover that it is intimately connected to the Jubilee cycles.

The 70 Weeks Prophecy and the Jubilee Cycles
Other videos on the Seventy Weeks Prophecy are up on YouTube under the user name Gavin Finley.
In this investigation we are going to see that the *Jubilee* links to the *Seventy Weeks Prophecy* in no less than six critically important, ways. And yes, there are some major *Fall Feast* and *Apocalyptic* connections here.
We shall discover that the JUBILEE is vitally involved with
1. The initiation of the 70 Wks.
2. The timeline of the 70 Wks.
3. The terminus of the 70 Wks.
4. The Second Coming of Messiah.
5. The Feast or Moed connection in the pivotal Day of Atonement.
6. The heralding of the Millennium.
In a future video we shall be looking at the nature, purpose, and Millennial establishment of the Jubilee. This is a very wonderful system in which a fair and equitable reset of the economy is ordained to occur every 49 years. The upcoming Jubilee is an end-time event. But when it comes it will be an occasion for joyful celebration.
Announcing the Year of Jubilee on Tishrei 10, the Day of Atonement
Christian artists such as musicians and hymn-writers often pick up on Biblical truths and present them in their work. And why? Because they are inspiring. Artists are often out there showcasing holy themes before theologians and religious leaders become aware of them. Here is an example. This song dates back to the early 20th Century. As we can see, it directly links the Second Coming of Christ to the Jubilee.
The lyrics are as follows,

“Praise the Lord we’ve been invited
To a meeting in the air,
Jubilee, Jubilee.

All the saints from all the ages
In their glory will be there,
Oh we’re going to that happy Jubilee.

Jubilee, Jubilee.

Oh we’re going to that happy Jubilee.”
So is the songwriter correct? Will the Return of Christ come on a Jubilee? Here is another example. It is a short clip from a song composed by Merv and Merla Watson. In it we hear the phrase, "For out of Zion, comes a Deliverer, in the year of Jubilee."
Merv and Merla Watson sing “Awake O Israel!”
So is this Biblically correct? Will a Deliverer come to Zion in the year of Jubilee? Well we are going to find out.
Let’s begin our investigation by taking a close look at the Torah scripture that introduces the Jubilee. We find it in Leviticus chapter 25. And we read . . . . .
8 ‘And you shall count seven Sabbaths of years for yourself, seven times seven years; and the time of the seven Sabbaths of years shall be to you forty-nine years
A sabbath of years is a seven year *sabbatical cycle* or a heptad. The seventh or sabbatical year is a rest year in which the fields lie fallow. The crops are not sown or harvested and the trees and vineyards are not tended.
The Sabbatical Year
Seven of these sevens of years make up the 49 years of the Jubilee cycle. And we read on.
7 \times 7 = 49 \text{ Years}

49 \text{ Years} = 1 \text{ Jubilee Cycle}
Then you shall cause the trumpet of the Jubilee to sound on the tenth day of the seventh month; on the Day of Atonement you shall make the trumpet to sound throughout all your land.
And you shall consecrate the fiftieth year, and proclaim liberty throughout all the land to all its inhabitants. It shall be a Jubilee for you; and each of you shall return to his possession, and each of you shall return to his family.
The 50th Year is a Jubilee year.
So here we see the seven by seven block of years that make up the Jubilee cycle. The numbering goes out from year 1 to year 49 so it is a *cycle of 49 years* and not 50 years.
7 x 7 = 49 Years
49 Years = 1 Jubilee Cycle
The following year, the 50th year, is the Jubilee year. So the Jubilee year is the first year of the new 49 year Jubilee cycle.
The 50th Year is a Jubilee year
So in the same way that the 8th day begins a new 7 day week.
The 8th day is the beginning of a new week.
The 50th year is the first year of the new 49 year economic cycle.
The 50th Year is a Jubilee year
What a wonderful time of celebration! On the tenth day of Tishrei on the Day of Atonement or Day of Covering, the trumpets of Jubilee sound. The economic cycle then resets, debts are cancelled, monopolies are dissolved, the land reverts to its original family owners, and the captives are set free.
Tishrei 10
Now when we pause to take a close look at the *Seventy Weeks Prophecy* in *Daniel chapter 9* we begin to notice something strangely similar to what we have just seen.
Daniel’s prophecy of the Seventy Weeks
And it is right here in Dan. 9:25 which describes the timeline of the Seventy Weeks.

“......unto the Messiah the Prince there shall be 7 weeks, (or 7 sevens) plus 62 weeks.
- Dan. 9:25
-“......unto the Messiah the Prince there shall be 7 weeks (7 sevens) plus 62 weeks (62 sevens).
So here is an important clue to the Jubilee. And it is sitting right there in front of us.

This is the first of six vital links through which the **Jubilee** connects to the **Seventy Weeks Prophecy**.
Seven Sevens
This is *Jubilee Connection #1*. The time-line of the *Seventy Sevens* starts out with a period of *seven sevens*. And as we can see, it looks suspiciously like a Jubilee Cycle.
The 70 Weeks Prophecy begins with Seven Sevens
There is no other reason stated to explain this initial period of *seven sevens*. Nor does the text make any allowance for a gap after these seven sevens of years. The Seventy Weeks Prophecy simply begins with a 49 year period of *seven sevens*. This happens to be the precise time period laid out in Scripture for the *Jubilee Cycle*! By itself this might mean nothing. But is there more? Oh yes.
The 50th Year is a Jubilee year
Let’s continue our investigation by laying out those initial *seven sevens* at the starting point on a the full length timeline of the Seventy Sevens. And then we’ll see where this leads us.
“......unto the Messiah the Prince there shall be 7 weeks (7 sevens) and (then) 62 sevens.

The Seventy Weeks of Daniel = 490 Biblical Years
We now find ourselves being prompted to ask the following question. If the Holy Spirit begins the Seventy Weeks Prophecy with a *Jubilee cycle* of 49 years then how does this initial 49 years play out with the rest of the Seventy Weeks?
“......unto the Messiah the Prince there shall be 7 weeks (7 sevens) and (then) 62 sevens.

(49 Years)
And is it possible that the time span of the Seventy Weeks Prophecy neatly and precisely accommodates a certain discrete whole number of these 49 year Jubilee cycles?
The Seventy Weeks
49 Year Jubilee Cycle
The Seventy Weeks
Well let’s see. We’ll start by measuring the entire timeline of the Seventy Weeks. Seventy times Seven equals 490 Biblical years.
70 \times 7 = 490 \text{ Biblical Years}
Now let’s place our first Jubilee cycle of 49 years over the start of that Seventy Weeks timeline.
And immediately we notice something interesting. The number 490 is a neat multiple of 49.
And as we see, the multiplying factor here between the 490 years of the Seventy weeks and the 49 year Jubilee is TEN.
\[
\frac{490}{49} = 10
\]
So if we lay out **TEN** of these **49 year Jubilee cycles** we notice that they too add up to precisely **490 Biblical Years**.
Simple arithmetic here.

7 times 70 equals 490 which also equals 49 times 10.
The Seventy Weeks of Daniel

$70 \times 7 = 490 = 49 \times 10$
So the 490 years of the Seventy Weeks of Daniel are made up of TEN Jubilee Cycles.
The Seventy Weeks of Daniel

$$70 \times 7 = 490 = 49 \times 10$$
And let’s take note of this as well. The number 10 is associated with God’s Law upon earth. The 490 years comprise an auspicious whole number of precisely TEN 49 year Jubilee Cycles.
The Seventy Weeks of Daniel

$70 \times 7 = 490 = 49 \times 10$
Now we can quickly move on to Jubilee Connection #3. If the Seventy Weeks Prophecy is made up of precisely TEN Jubilee cycles then the Tenth Jubilee must of necessity terminate with a Jubilee right at the end of the age! Brothers and sisters, lets make no mistake about this. This would have to be a blockbuster Jubilee!
If the Seventy Weeks Prophecy is made up of precisely *ten* Jubilee cycles then the Tenth Jubilee and the Seventy Weeks time-line must both, of necessity, terminate with an epic climactic Jubilee.
Now it is time to take a closer look at the final *tenth Jubilee*. Notice that there is a gap between the 69 weeks and the future *70th Week*. This comes directly from the Biblical text, *Daniel 9:27*. This gap is explained at length in our earlier videos on the Seventy Weeks Prophecy.

### 2,000 Year Gap

#### 70th Seven of Daniel

The Gap between the 69 weeks and the future 70th Week
As we have seen, the 69 weeks ended in passion week on **Palm Sunday of 32 A.D.**. On that day Jesus/Yeshua made His one and only royal or political appearance entering the Holy City as “**Messiah the Prince**”.
The **69 weeks** began with the edict of Artaxerxes given to Nehemiah and ended with the first coming of Messiah on *Palm Sunday*.

**445 B.C.**

**NISAN 10, APRIL 9**
**32 A.D.**

**476 YEARS**
**plus 25 days**

**173,880 days**
The gap, a hiatus for the Gospel outreach, has now gone on for almost two millennia. The 70th week, the final seven years of this age is up there in our future.
As we can see, the ten Jubilees and the Seventy Weeks both come to a grand climax with the Jubilee. There is no doubt about it. This must certainly be an epic Jubilee of Biblical proportions.

2,000 Year Gap

The epic Jubilee at the end of the future 70th Week
The **Seventy Sevens Prophecy** brings us a wealth of information on the chronology of the end time. The **first 69 weeks** ended 2000 years ago with the **first coming of Messiah on Palm Sunday** in His **Priestly ministry** as the **Suffering Servant**.

Which brings us to *Jubilee Connection #5*, the return of Messiah as King of kings. This is the grand apex to holy history. Will this glorious event be heralded with the trumpets of *Jubilee*?
Let us consider this. Messiah will return to set the captives free and to gather His Elect, the living and the dead from both sides of Calvary. He is going to restore all Israel, raising them up from death. Here we see Ezekiel’s awe inspiring vision of the valley of dry bones. See Ezekiel 37.
Ezekiel's Vision of the Valley of Dry Bones
Wouldn’t the trumpets of Jubilee be an appropriate and auspicious celebration as Messiah comes to raise up His people at the Last Day with the magnificent *Resurrection-Rapture* of all the saints at the climax of this age?
Which brings us now to 
Jubilee Connection #6.
As we see in Leviticus 25,
the *trumpets of Jubilee*
are blown on the
*Day of Atonement.*

Messiah Returns as the Conquering King
The climax of the ten days of awe on the **tenth day of Tishrei** is the **Day of Atonement**. This is the most fearful Holy Day on the calendar of Israel. On this special Hebrew holy-day in some future year the trumpets of Jubilee will sound to bring the Day of Atonement, the **6th moed** or **6th appointed time**, into its New Covenant fulfillment.
The Year of Jubilee is proclaimed on **Tishrei 10**

The Day of Atonement is on **Tishrei 10**
This age will certainly end spectacularly. So if it future 70th Week ends with an epic Jubilee of Biblical proportions is this not to be expected? This wonderful item of Hebraic art entitled “The Final Prayer” is by Jewish artist Yossi Rosenstein and it showcases the final climactic Yom Kippur, the one that will wrap up all the Yom Kippurs that have gone before it.
The *Day of Atonement*, is simply not appreciated by Christian or Messianic Bible teachers for what it is. It is the Day of Reckoning, the *Day of Accounting*. It is the *last call*! It is the *last day* of this present evil age. Space-time then unzips, the heavens of this present cosmos roll back, and our returning Messiah is unveiled in the Day of the Lord.
On this “Day Appointed” in that epic future fall season the books will be opened. On that Day of Accounting, Day of Atonement, or Day of Reckoning the returning Messiah will wrap up all the legal affairs of this present evil age.
This *Day of Atonement*, is a *Day of Reconciliation of Accounts* for all, the living and the dead, from both sides of Calvary. This is more than just a Bema judgment for rewards and medals. Every single person will be brought before the *Judgment seat of Messiah* to give an accounting of what He did with what he was given.
But there is a merciful covering for sin. And on that awesome future *Day of Atonement* the High Priest will bring the blood of the Lamb up from the altar.
And this is where that blood came from.
The blood of the Lamb has been showcased as the covering for sin going all the way back to the Garden and to righteous Abel.
The Passover: Slaying the Paschal Lamb. — Num. ix.
And in the nation of Israel the Levitical priesthood officiated at the sacrifices. But these were always a pointer to that ultimate Sacrifice to come. And in the feasts and the sacrifices performed in the coming Millennium they will again be powerful object lessons showcasing Israel’s Sacrifice Lamb and the high cost of our redemption.
Even our father Abraham with his son Isaac carrying the wood for the sacrifice up the hill
like *Someone Else* who was to follow
was told,

“God will provide HIMSELF, a Lamb.”
And He did. The thorns were surrounding His head as the blood came down to this earth. It is this blood, the blood of the Lamb of God, that is our ultimate covering for sin. And it is this blood that will sprinkle many nations to save many.
For those under the blood of Israel’s Sacrifice Lamb this climactic fulfillment of the **Day of Atonement** will be a **Day of Covering** and a **Day of Pardoning**.
On *That Day* all those who have cried out to God for mercy and found salvation in Him will receive their ultimate blood covering. The atoning blood of Israel’s promised Sacrifice Lamb will be applied to the *Mercy Seat* in the heavenly sanctuary. And in this *Way* all who know Messiah will enter into the glory.
For those who have rejected God and His great salvation this final *Day of Reckoning* will be a *Day of Sentencing*. Rebels will discover that *God’s Wrath* has finally come, and there is no place for them to hide.
In its final fulfillment the Day of Atonement is a Day of Sentencing. Out of legal and holy necessity this Day of Atonement must come before the angels of wrath can be loosed to execute the wicked.
After the judgment the \textbf{EXECUTION} follows. When the sun sets on that final \textit{Day of Atonement} space-time will be pulled aside like curtains unveiling an open heaven in the \textit{Day of the Lord}. 
For the wicked the **DAY of the LORD** will be horrific beyond telling. The **Wrath of God** will fall very quickly, specifically, and personally, upon them. The evil angels of wrath will swoop down upon the heads of their people like raptors plucking up the prey, and carrying them off to an eternity of torment.
Jesus spoke about this awful harvest by the grim reapers in the parable of the sower in *Matthew 13:30*. For more on the angels of wrath see *Psalm 78:49* and perhaps the artistry of the tattoo parlor. These hideous beings are real. And they are coming for their own, the wicked, and all those who are “bad to the bone”.
The wicked will be bundled off to suffer eternal torment in the Lake of Fire.
If you are watching this and you are not sure of your salvation now would be a good time to seek the face of God. Through His shed blood He has made gracious provision for as many as will repent. He asks us to invite Him to come into our heart and life as Savior and Lord.
So when we understand this vital Jubilee connection and see that the trumpets of the *Jubilee* are blown at the end of this age on the *Day of Atonement* we begin to see that this epic future “*Day Appointed*” is the key piece to the jigsaw puzzle of End-Time Bible prophecy.
The Year of Jubilee is proclaimed on **Tishrei 10**

The Day of Atonement is on **Tishrei 10**
We have additional evidence that the Day of Atonement, feast # 6 on Tishrei 10 of some future year will mark the terminus of the final seven years of this age.
The upcoming 70th Week of Daniel with its 30 day extension as laid out by the prophet Daniel (Dan. 12:11) encompasses $1260 + 1290 = 2550$ days.

2550 days also happens to be the timespan encompassing the upcoming two Fall Feasts of Israel, (those being the Feast of Trumpets and the Day of Atonement), when they are 7 years apart and in those seven year spans that see 86 (and not 87) moons in the metatonic cycle. This perfect match was noticed in 2004 by Gavin Finley - endtimepilgrim.org
It seems that the final seven years of this age are precisely staked out by the upcoming yet to be fulfilled Fall Feasts of Israel, those being the \textit{Feast of Trumpets}, (Rosh Hashanah, Tishrei 1), and the \textit{Day of Atonement}, (Yom Kippur, Tishrei 10) seven years later. Both time spans add up to a total of \textbf{2550 days}. This is probably not a coincidence.

The Future 70th Week of Daniel - (7 years)

The Glorious Millennium of Messiah
The coming **Millennium of Messiah** has often been spoken of in poetic terms by the prophets of old, especially Isaiah.

“...waters shall burst forth in the wilderness,
And streams in the desert.
The wilderness and the wasteland shall be glad for them,
And the desert shall rejoice and blossom as the rose;

- Isa. 35
When Messiah returns to establish His *Millennial Kingdom* He will institute the *Jubilee cycles as laid out in Leviticus 25*. We can be sure that He will bring relief to those who mourn and establish a just and righteous economy here on earth.
It also seems clear that our attempts to lay out Jubilee cycles in the gap period during the present age of the heathen Gentiles over these past 2,000 years have all been in vain. From what we have seen here and in Revelation 11:2 it appears that 

*God is not counting out years for Jubilee cycles right now.*
No Jubilees are being counted out inside this present day gap.

Pronouncements regarding smittah years in this present era and all sorts of speculations based upon supposed sabbatical cycles and calculations of 49 and 50 year Jubilee cycles launched out from certain special dates in past history are popping up quite frequently now. But there is no solid Biblical basis for them.
No Jubilees are being counted inside this present day gap.

Second Coming
This time we are now living in is not holy, set apart, or to be measured, like the sanctuary, the altar, and the people who belong to the altar of Israel’s promised Sacrifice Lamb. Like the outer court, the court of the Gentiles, God is not measuring out our time right now. It has been given to the goyim, the heathen, the Gentiles.
Then I was given a reed like a measuring rod. And the angel stood, saying, “Rise and measure the temple of God, the altar, and those who worship there. But leave out the court which is outside the temple, and do not measure it, for it has been given to the Gentiles. And they will tread the holy city underfoot for forty-two months. Rev. 11:1-2
Bible scholars have been looking into the mystery of the Jubilee cycles for many centuries now and trying to find them. These six vital connections of the Jubilee to the Seventy Weeks Prophecy have apparently gone unnoticed. It appears that the Jubilee Cycles have been hidden away by God for some good and holy purpose.
The Mystery of the Jubilees
They have been put up out of harm’s way, hidden from prying eyes until the set time has come. But the Jubilee cycles can be seen by those who love God and study His Word. And as we have discovered, the Jubilees are there. They are tucked away neatly, right inside the holy time set apart by God in the Seventy Weeks of Daniel.
The Mystery of the Jubilees
And so from what we have seen and from other Biblical evidence we can confirm that the artists, hymn writers, and song writers are quite correct. Messiah will indeed return in the year of Jubilee.
The 70 WEEKS PROPHECY & the JUBILEE CYCLES
“For out of Zion, comes a Deliverer, in the year of Jubilee.”
